Message From The President

Fellow Citizens,

As we reflect on the accomplishments of 2024, I am filled with tremendous pride in what we achieved together as the Dayton Branch NAACP. Every milestone represents the dedication of our members, volunteers, donors, partners, and supporters who remain committed to advancing civil rights, protecting democracy, and creating opportunities for all.

Because of your unwavering support, the Dayton Branch NAACP raised nearly \$228,000 to strengthen civil rights advocacy, support local, state, and national leadership training, and invest in the future of our organization. We also provided more than \$9,800 in funding for youth programs and awarded \$4,500 in scholarships to help prepare the next generation of leaders. Through sound fiscal management and responsible stewardship, we concluded the year with a \$25,010 budget surplus, ensuring that our Branch remains financially strong and positioned for continued growth.

Our impact extended far beyond our financial achievements. We welcomed 15 new Fully Paid Life Members, strengthening our foundation for years to come. We registered 119 new voters, empowering citizens to make their voices heard at the ballot box. We also investigated 219 complaints of discrimination, standing alongside individuals seeking justice and equal opportunity.

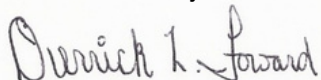

Education remains one of our most powerful tools for change. Throughout the year, our monthly educational town halls informed and empowered 7,898 community members on issues affecting civil rights, public policy, economic opportunity, education, and social justice. Our digital presence also continued to expand, with 6,451 individuals engaging with us through our social media platforms, allowing us to reach even more people with timely information and calls to action.

These accomplishments demonstrate what is possible when a community unites around a shared mission. While we celebrate these successes, we recognize that the work of advancing equality and justice is far from complete. Together, we will continue to inform, educate, empower, advocate, and organize until every person has the opportunity to achieve their full potential.

Thank you for your continued commitment to the Dayton Branch NAACP. Because of you, we are making a meaningful difference in our community every day.

Fully Committed!

Your community servant,

Dr. Derrick L. Foward
